

WHY CHOOSE JOELSON?

All businesses require legal expertise in different jurisdictions from time-to-time, but stepping out of a known market and into something new can be challenging.

At Joelson, we know that launching your business into a new market can be a daunting process.

We are here to provide you with the help and support you need as you seek new opportunities in London and throughout the United Kingdom.

.....

With years of experience and an excellent global network of trusted advisors, our advice is valued by businesses operating in multiple jurisdictions across Europe and around the world that are looking to expand into the UK.

.....

We are members of the DIT UK Advisory Network and we are also a selected and endorsed commercial partner for London & Partners – the official promotion company for London – who we meet with regularly to discuss the needs of overseas businesses such as yours.

As members of the European Lawyers Network and Affiliated Firms and the China-Britain Business Council, we have close connections with a variety of organisations worldwide.

Our services

We take great pride in the services that we provide. Our clients will testify that we work hard to ensure they achieve the best possible outcomes.

Our talented team of lawyers will provide a practical, business-orientated approach to you:

- Mergers & Acquisitions
- Commercial Agreements
- Equity Capital Raisings
- Joint Ventures
- Employment Law issues
- Commercial and Residential Property
- Intellectual Property Licensing & Exploitation
- Litigation & Dispute Resolution
- Immigration
- Licensing, Gaming & Regulatory issues

Our standing in these areas is well-recognised, with many of our teams listed in the Legal 500 and Chambers & Partners legal guides.

Our international clients

Our team is dedicated to getting to know clients and building strong, long-lasting relationships with them.

We always seek to understand your business, how it works and what your needs are so that we can provide pragmatic, simple to understand, legal advice.

This is particularly important for our overseas clients, who may not be familiar with the English legal system and English law. We do our utmost to demystify matters and to provide solutions in a timely and efficient manner.

International businesses that have benefited from this approach include:
